

Handi-Hose & Reel™

Superior Quality Compact Hose

- 100% bonded, seamless construction
- NSF & FDA approved
- Compact
- Lightweight
- Extremely Durable
- Safe for Drinking Water

MRT-50

RT-50

Lightweight, Compact Design

10', 25' or 50' garden hose weighing only a few pounds, yet doing the job of much heavier and bulkier ordinary garden hose. Ideal for storage in apartments, condos, cars, boats and RVs.

Standard Coupling Fittings

Hook up to any regular home water faucet garden hose fixture.

Highest Quality Construction and Materials

Handi-Hose is extremely resistant to abrasion, oil, sun and salt, and remains flexible and tough in all weather.

Strain Relief Coupling Sleeve

Designed to eliminate damage and assure full water flow at the faucet fitting.

Self Squeegee System

Built-in self squeegee in Handi-Hose & Reel unit drains water and puts an end to wet storage problems of conventional garden hose.

Superior Quality Compact Hose

Quality control is maintained throughout all phases of manufacturing and every Handi-Hose is checked again before shipping to meet our standards for "Superior Quality Compact Hose."

Kneeler Seat™

The Ideal Household Helper!

American Specialty's Kneeler Seat is the ideal solution for projects in the home and garden. Its sturdy construction and lightweight design make tasks that involve kneeling enjoyable.

It promotes good posture and is a helpful support. Flip it over and use it as a seat for activities such as fishing, camping, picnics, painting and reading.

This highly durable kneeler is made of tough polyethylene. It assembles quickly without tools or glue. The new utility holder is great for holding tools or beverages.

- Promotes good posture
- 15.5" high seat height, wear-lasted PVC, UV coated cushion resists fading
- Easy assembly - no tools or glue needed
- Utility holder for tools or beverage (holds up to 16 oz)
- 250 lb. capacity

Multi-Purpose Utility Hose

- Short utility hose perfect for RV and marine use
- Available in 4' and 10' lengths
- Drinking water safe
- Light weight

Ordering Information

ITEM NO.	DESCRIPTION	UNITS PER CARTON
UT-4	4' Multi-Purpose Utility Hose (weighs 1 lb.)	12
UT-10	10' Multi-Purpose Utility Hose (weighs 2 lbs.)	6

UT-4

A short utility hose that's perfect for RV, marine, or any other short hook-up application.

Don't drag out that long, tangled hose for small, simple jobs. This compact utility hose, available in 4' and 10' lengths, is great for fresh water hook-up without the excess hose. It's drinking water safe and has no taste and no odor.

And, best of all, the Multi-Purpose Utility Hose is extremely light weight – 4' hose weighs less than one pound, 10' hose weighs only two pounds!

Wonder Pump™

Self-Priming Pump

- Safely transfers liquids up to 3½ gallons per minute
- Made in the U.S.A.
- 6' hose
- Easy to use
- Safe anti-static pump and hose
- Connects to garden hose with 1/2" adapter

PMP6

Wonder Pump is a valuable tool which has numerous uses. With the Wonder Pump and an empty gasoline can, refueling cars and trucks is safe, efficient and convenient! The Wonder Pump can be used to quickly empty or fill fish ponds, aquariums, water beds, fountains, bird baths and above-ground pools. Safely transfer gasoline for tractors, lawn mowers, trimmers, chain saws, and other gasoline powered tools. Wonder Pump is ideal for transferring fuel for boats, motorcycles, jet skis, snowmobiles, golf carts and other recreational vehicles. So convenient and easy to use, you'll want more than one!

Liquids Used with the Wonder Pump

The Wonder Pump works with almost all liquids including water, gasoline, diesel fuel, kerosene, fertilizer, insecticides, thinners, paints, solvents and lubricants to the thickness of 20 grade oil.

Just shake pump to start liquid flowing!

WARRANTY

American Specialty Mfg., Inc. guarantees satisfactory performance and freedom from defects in the materials, construction and workmanship of this Wonder Pump product for one full year. Misuse and abuse are specifically excluded from guarantee. If a problem occurs in normal use, return to:

American Specialty Mfg., Inc.
P.O. Box 848
Stoughton, MA 02072
Attn: Wonder Pump Customer Service

NOTE: The design of some vehicle gas tanks may not allow the use of Wonder Pump.
