

## PRODUCT WARRANTY CLAIM FORM

**If a product fails due to a defect in workmanship or materials during the warranty period, Classic Accessories will repair or replace it free of charge. Warranty coverage begins with the original date of purchase and covers any replacements until the end of the original warranty period. Please see the owner's manual or instruction sheet for additional details regarding product warranty. If you have any questions regarding warranty or the claim process, please call 1-800-854-2315 during our regular business hours of 7:30 am to 4:00 pm PST, Monday through Friday.**

**Warranty claim instructions:** Fax, mail or e-mail the completed claim form and a copy of the proof of purchase (dated sales receipt) to Classic Accessories (company information at bottom of form). You have the option of sending the item with the defect back to Classic Accessories or submitting a picture of the defect. If sending product back (customer is responsible for postage), please call 800-854-2315 or send an e-mail to [warranty@classicaccessories.com](mailto:warranty@classicaccessories.com) to obtain a Warranty Return Authorization (WRA) number. This number needs to be written on the outside of your package to ensure it is received at our warehouse. If you decide to send a photo, please keep the item until you receive replacement product in case there needs to be further analysis of the defect. A single, clear photo of the defect is all that's needed.
